Re: *In re Bair Hugger Forced Air Warming Devices Products Liability Litigation*  
MDL No. 2666 – Deficiencies in Plaintiff Fact Sheet for Individual Case  
*Burks v. 3M Company et al* Case No.: 0:16-cv-04418-JNE-FLN

Dear Counsel:

We are in receipt of the Plaintiff Fact Sheet (PFS) for the above-captioned matter. The PFS has core deficiencies, as set forth in the enclosed report.

Paragraph 4 of Pretrial Order No. 14 defines core deficiencies as “a lack of response to all questions in Section I, Section II, and Section III; Section IV, questions 1, 3, 7, 8, 9, 10; Section V, questions 5, 6, and 7; Section VI, questions 1, 3, 6, 7, 8, and 9; Section VII, questions 1 and 2; Section 8, question 2; Section IX, questions 1, 3, and 4, or lack of signed medical authorizations.” Paragraph 3 further requires a signed verification.

In addition, the instructions on the PFS form prohibit leaving spaces blank and provide as follows: “If a question is not applicable to you, please state ‘Not Applicable’ or ‘N/A.’” In our review, many deficiencies resulted from a plaintiff leaving one or more spaces blank.

Pursuant to paragraph 6 of PTO 14, within 3 weeks of the date of this letter, you must respond in writing by either (1) curing the deficiencies (by serving a revised, verified PFS through Plaintiffs’ portal); (2) disputing the deficiencies and setting forth the reasons the PFS is not deficient; or (3) explaining why the deficiencies cannot be timely cured. When serving a revised, verified PFS through Plaintiff’s portal, you do not need to resubmit documents that were previously served with the original PFS.

Sincerely,

s/ Benjamin W. Hulse

Dear Counsel:

We are in receipt of the second amended Plaintiff Fact Sheet (PFS) for the above-captioned matter. The second amended PFS still has core deficiencies, as set forth in the enclosed report.

Paragraph 4 of Pretrial Order No. 14 defines core deficiencies as “a lack of response to all questions in Section I, Section II, and Section III; Section IV, questions 1, 3, 7, 8, 9, 10; Section V, questions 5, 6, and 7; Section VI, questions 1, 3, 6, 7, 8, and 9; Section VII, questions 1 and 2; Section 8, question 2; Section IX, questions 1, 3, and 4, or lack of signed medical authorizations.” Paragraph 3 further requires a signed verification.

In addition, the instructions on the PFS form prohibit leaving spaces blank and provide as follows: “If a question is not applicable to you, please state ‘Not Applicable’ or ‘N/A.’” In our review, many deficiencies resulted from a plaintiff leaving one or more spaces blank.

Pursuant to paragraph 6 of PTO 14, within 3 weeks of the date of this letter, you must respond in writing by either (1) curing the deficiencies (by serving a further revised, verified PFS through Plaintiffs’ portal); (2) disputing the deficiencies and setting forth the reasons the PFS is not deficient; or (3) explaining why the deficiencies cannot be timely cured. When serving a revised, PFS through Plaintiff’s portal, you do not need to resubmit documents that were previously served with the original and/or any amended PFS. An updated verification is required, however, to be served along with the amended PFS.

Sincerely,

s/ Benjamin W. Hulse

Re: *In re Bair Hugger Forced Air Warming Devices Products Liability Litigation*  
MDL No. 2666 – Deficiencies in Amended Plaintiff Fact Sheet  
*Nadeau v. 3M Company et al* Case No.: 0:16-cv-02395-JNE-FLN

Dear Counsel:

We are in receipt of the second amended Plaintiff Fact Sheet (PFS) for the above-captioned matter. The second amended PFS still has core deficiencies, as set forth in the enclosed report.

Paragraph 4 of Pretrial Order No. 14 defines core deficiencies as “a lack of response to all questions in Section I, Section II, and Section III; Section IV, questions 1, 3, 7, 8, 9, 10; Section V, questions 5, 6, and 7; Section VI, questions 1, 3, 6, 7, 8, and 9; Section VII, questions 1 and 2; Section 8, question 2; Section IX, questions 1, 3, and 4, or lack of signed medical authorizations.” Paragraph 3 further requires a signed verification.

In addition, the instructions on the PFS form prohibit leaving spaces blank and provide as follows: “If a question is not applicable to you, please state ‘Not Applicable’ or ‘N/A.’” In our review, many deficiencies resulted from a plaintiff leaving one or more spaces blank.

Pursuant to paragraph 6 of PTO 14, within 3 weeks of the date of this letter, you must respond in writing by either (1) curing the deficiencies (by serving a further revised, verified PFS through Plaintiffs’ portal); (2) disputing the deficiencies and setting forth the reasons the PFS is not deficient; or (3) explaining why the deficiencies cannot be timely cured. When serving a revised, PFS through Plaintiff’s portal, you do not need to resubmit documents that were previously served with the original and/or any amended PFS. An updated verification is required, however, to be served along with the amended PFS.

Sincerely,

s/ Benjamin W. Hulse

**Subject:** Bair Hugger, MDL 2666 -- Defendants' lists of PFS disputes for July 2017

Dear Judge Ericksen,

Even though next week's status conference has been cancelled, Defendants would still like to list cases with Plaintiff Fact Sheet disputes, as provided by PTO 14, paragraph 7, Dkt. No. 117.

When the Court cancelled the March 2017 status conference, it issued an order stating that the PFS disputes on the lists submitted by Defendants were "deemed 'addressed to the Court' notwithstanding the fact that there will be no in-court conference this month." Dkt. No. 270.

Defendants respectfully request that the Court do the same this month, and deem the disputes on these lists "addressed to the Court." We anticipate that Plaintiffs' Co-Lead counsel will share these lists with other plaintiffs' counsel, as they have done in prior months, so there is no need for the Court to formally list the cases.

Best regards,

Ben Hulse

Counsel for Defendants

\*\* "Improper DWOP" indicates that Plaintiff filed a notice of voluntary dismissal without prejudice after Defendants had answered the Master Complaint. Defendants contend that these dismissals are ineffective under Rule 41(a), and that PFSs therefore remain due. Defendants are willing to enter into stipulations of dismissal with prejudice for these cases.

Deficiencies cannot be cured at this time as we have not been able to contact client, but will continue to make a diligent effort to do so.

**Signed Verification:**

Many past MDLs have not required signatures to correct deficiencies and there is nothing in this MDLS that requires deficiencies to be signed individually by clients. This is inefficient and unnecessary. Therefore, we dispute that corrections to the deficiency responses are required to be individually signed by clients.
